Effective **09/21/2015**, Student Health Center is changing the way that you will be billed and pay for your SHC related charges.

**IF YOU ARE a registered UCI student:**

- Registered UCI students with UCSHIP - you no longer have to check out at the SHC Cashier to pay for your copay after a doctor’s visit or prescription fill. Patient copayment and coinsurance will be directly billed to your ZOT account. Visit [https://zotaccount.uci.edu/](https://zotaccount.uci.edu/) to access online payment.
- Registered UCI students who waived-out of UCSHIP - you no longer have to check out at the SHC Cashier to pay for your doctor’s visit, prescription fill and other charges. Charges for your visit will be directly billed to your ZOT account. An itemized invoice will be mailed to your local mailing address to enable you to seek reimbursement from your insurance carrier. Visit [https://zotaccount.uci.edu/](https://zotaccount.uci.edu/) to access online payment.

**IF YOU ARE a non-registered student:**

- Non-registered UCI students (e.g EXTENSION students) - should proceed to the Cashier to check-out and pay the charges for your visit.
- Faculty/staff - should proceed to the Cashier to pay the charges for your visit.
