If you are applying for coverage, please note that Anthem Blue Cross and Anthem Blue Cross Life and Health Insurance Company require binding arbitration to settle all disputes including but not limited to disputes relating to the delivery of service under the plan or any other issues related to the plan and claims of medical malpractice, if the amount in dispute exceeds the jurisdictional limit of small claims court. California Health and Safety Code Section 1363.1 and Insurance Code Section 10123.19 require specified disclosures in this regard, including the following notice: “It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.” This means that you and Anthem Blue Cross and/or Anthem Blue Cross Life and Health Insurance Company are waiving the right to a jury trial for both medical malpractice claims, and any other disputes including disputes relating to the delivery of service under the plan or any other issues related to the plan.
